

Dear Ms. Lewis:

I am writing in response to your letter of September 5th regarding Prairie Political Action Committee's Mid-Year Report.

Catering expenses itemized in the report were for a Prairie PAC function and were not expended on behalf of any federal candidate.

The report lists rent paid for office space at the Monadnock Building. This includes all utilities except phones and the space is furnished. The report lists payments for phone bills. Because there is very little activity at this time, work is performed by volunteers and there are no salaries. I trust that this information fully answers your question regarding administrative expenses for the Committee.

Thank you for your attention to this matter.

Sincerely,  
Michael E. Daly  
Treasurer  
Prairie PAC
